| <b>The event:</b>    | <p><b>Garden Route Package Details:</b><br/>Fly to Cape Town and join an escorted tour of some of the best golf on the Garden Route of South Africa, in warming summer temperatures.<br/>Many will have joined us after our Cape Town Tour prior to the 9-night Garden Route Tour. This has been extended in 2022 after the incredible feedback we had about the switch to staying in the 5* suites at Simola – so we are giving you even more time here in 2022 and another round of golf, but only increased the price by £95pp - sharing!<br/>Our Garden Route tour will take you from Cape Town to Knysna and will be hosted by Terry and Stephanie Rawding.<br/>The return departure day transfer will take you to Cape Town airport or some may choose to fly back from George airport - please discuss the options with us.<br/>After the golf tour, some may decide to stay an additional 2 nights at Botlierskop Game Reserve for a memorable experience and we can organise the necessary short transfers from George Airport for you. Some then take the opportunity to have more stops on the way back to Cape Town - just ask us to describe the options available to you.</p> <p><b>Arrivals day for the Garden Route tour is 25/01/22, after an overnight flight from the UK - do consider arriving early for a restful start to your Garden Route travels.</b><br/>The Garden Route Tour, moving locations and with a driver for the week with us, would perfectly suit a non-golfer, accompanying a golfer and lots of additional sightseeing opportunities can be made available for non-golfers.</p> <p><b>Early Arrival Option</b><br/>If you prefer to arrive a night early to recover from your travels then Erinvale Hotel, which includes a Spa, will be the perfect resting place for you. We have reserved rooms on 24/01/22 for those joining both tours and for early arrivals for the Garden Route Tour. This is a boutique hotel in the Erinvale estate in Somerset West, on the slopes of the Helderberg Mountains and surrounded by vineyards.</p> <p><b>25/01/22 Arrival Option</b><br/>If you choose to arrive on day 1 for the Garden Route Tour (we need you to be on a very early arrival flight), we will collect you from Cape Town airport and call at Erinvale to join the Group transport, before the coach sets off to Garden Court Hotel, Nr. Mossel Bay. The journey from Erinvale will take about 4 1/2 hrs, but we will break it with a lunch stop at the Old Mill in Swellendam - the 3rd oldest town in South Africa.</p> <p><b>The night of 25/01/22 is booked at The Garden Court Hotel</b> - a location chosen because of its proximity to the fabulous Pinnacle Point golf course. The hotel is a modern 3* accommodation, with a casino, bars and a restaurant attached. We organise dinner for you at Pinnacle Point on 25/01/22 - be prepared for the finest golf views you will ever see!</p> <p><b>On 26/01/22 we give you one of the highlights of your tour, when you play Pinnacle Point.</b> This has to be one of the world's most spectacular golf courses with stunning views and challenges on every hole. Darren Clarke described it as 'the best golf course on the planet'. Shared buggies are included.</p> <p><b>After golf on 26/01/22 you move onto 5* Fancourt Resort in George and stay 3 nights here.</b> Fancourt has been voted the World's Best Golf Resort many times. <b>Here, dinner on the arrival night is included in your package</b> as is playing 2 rounds on Montagu (rated 2nd best course in the Western Cape) and Outeniqua (rated 8th best course in the Western Cape). If you prefer you could upgrade one of these rounds to Fancourt Links (rated 1st) - a max handicap of 16 applies to the Links. Shared buggies are included for 2 rounds of golf in your package, along with a half-way house lunch.</p> <p><b>Non-Golfers can have 2 x Spa treatments in place of golf.</b><br/>Fancourt is one of the finest golf resorts in the world, with an exceptional mix of classic elegance and modern luxury - it only has 115 rooms. Your room will be one of the Classic Rooms, but we can upgrade you to stay in Luxury Rooms or Suites, or even the exclusive Manor House - including your own butler! During your time at Fancourt we will organise at least 1 night to dine out in George. Fancourt (owned by the creator of SAP software) has all of the leisure facilities you would expect from a 5* facility.</p> |
